legal positions, and answer questions about the readings.

**B. Homework & Mastering the Bluebook (15% of grade)**

You will have homework of some sort due almost every week. In some weeks, it will be exercises from the textbook. Other weeks, it may be something else. You also need to complete the required Mastering the Bluebook units as listed in the syllabus.

[**Note:** I am aware that life happens and that can interfere with completing assignments in a timely manner. I will set due dates for assignments; however, I will not deduct points for *anything* submitted up to 1 week late. After that, I will deduct 10% per week for each week that it is late including the first week.]

**C. Discussion Board (15% of grade)**

You will be doing discussion board assignments throughout the semester. Your post should be well-written and include citations where necessary. You should submit your initial post by 11:59 p.m. on
