COURSE OUTLINE & SCHEDULE OF ASSIGNMENTS
FNP PROGRAM

Late assignment submissions will not be accepted unless prior communication and approval have been arranged with the course faculty. No assignments will be accepted after the final day of the course unless the student has established a Student “Incomplete” Course Grade Agreement with the course faculty.

College of Health Professions and Natural Sciences Response Time Policy:

Faculty will generally respond to all student communication within 24-48 hours unless on a weekend or holiday. Please refer to your course faculty’s specific availability as noted within the course.

Online Learning Considerations:

Online learning courses are offered in a seven-week format designed to move the motivated student through the curriculum at an accelerated pace. A significant amount of student learning is done via independent assignments and requires the use of the Internet and the Canvas course learning management system.

Resources for Online Students, including Technical Support, can be accessed at:
http://www.wilmu.edu/onlinelearning/dl_current.aspx

Disability Assistance:

Wilmington University actively supports the rights of students with disabilities to have equal access to education and makes every reasonable effort to make accommodations. For more information: <http://www.wilmu.edu/studentlife/disabilityservices/index.aspx>

Nurse Practitioner Program Satisfactory Academic Progress Policy:

At Wilmington University, Satisfactory Academic Progress (SAP) in the Nurse Practitioner program is defined by the following three criteria:

1. Earn a B or better in all NP courses.
 - a. If less than a B is earned in a NP course, students can re-take the course one (1) time.
 - b. A maximum of two (2) courses may be repeated.
2. Maintain a 3.0 GPA or higher.
3. Complete all degree requirements within seven (5) years).

Failure to meet these requirements will result in academic dismissal from the program.
